RENEWED PETITION PURSUANT TO 37 CFR 1.137(b)

Sir:

In response to the Decision on Petition mailed on July 7, 2009, the Applicant hereby submits:

- a statement of fact from the Assignee
- a statement of fact from the previous Agents of Record
- a statement of fact from the present Agents of Record

indicating that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

The delay in reply that originally resulted in the abandonment is shown to result unintentionally as a change of correspondence address was submitted to the USPTO but never recorded.

The delay in filing an initial petition pursuant to 37 CFR 1.137(b) to revive the application is less than 3 weeks, as indicated in the enclosed statement.

Therefore, the Applicant believes that all of the requirements of Rule 1.137(b) have been met.

Favourable consideration on the merits of this application is earnestly solicited.

Respectfully submitted,

Karl FECTEAU et al.
